Air-Ground Search For Wild Dog Pack West Of Jacksonville

Carmen Burgard, (left), manager of Byerly Airlines, looks over an air map of an area west of the city where the wild-dog pack was last noticed. Mr. Burgard acted as pilot during the hunt in one of the Byerly airplanes. County Commissioner Hobart Rigg, (right), kept a sharp eye for the dogs and relayed the information by radio to Sheriff Staley Keller who directed the ground operations.

Sheriff Staley Keller, talking over a portable radio used in the hunt, receives information from the spotter in the air before the hunt as he relays information to radio cars on all sides of the dog-pack. Hunters in the background are gathered around a fire until the location of the dogs is determined.

This picture shows a portion of the volunteers who took part in the hunt Sunday and six of the dogs killed. About fifty volunteers were on hand for the hunt and closed-in on four sides of the pack. Eight dogs were known dead and three wounded. The size of the pack was estimated at about 12 to 15.

50 Man Posse Hunts Wild Dogs West Of City Sunday Morning

Farmers living northwest of the city received welcome relief from a pack of wild dogs as about fifty volunteers turned out to form a posse designed to rid residents of the marauders.

Heavy losses of hogs, sheep and chickens have been reported by residents in the past several months due to the dog pack. Several instances of broken fences caused by dogs frightening cattle have also been reported in the area.

Several residents of the area asked county officials for help with the matter last week and plans for the hunt were underway.

Commissioner Hobart Rigg acted as spotter in a Byerly airplane flying over the area while Sheriff Staley Keller and off-duty deputies directed the search on the ground with two-way radios.

Eight dogs were killed during the hunt and three wounded. About fifteen were reported in the original pack.

Fifty volunteers reported for the hunt armed with shotguns. Another hunt in the same area will be conducted in about two weeks if further evidence of the pack is noticed.

City May Replace Old Ladder Truck In 1959

Possibility that Jacksonville may replace a 31 year old ladder truck in the fire department with a new one during the coming year grew stronger Monday night when Mayor DuBois instructed Alderman Gordon Johnson, chairman of the fire committee, to investigate prices of equipment.

Alderman Johnson told the council the old ladder truck is in the garage again, this time the repairs being more complicated than previously. During the long period the truck has been in service, it has become more difficult to obtain mechanical parts.

Alderman Souza spoke in favor of buying a new ladder truck during the coming year. The city should maintain its equipment at top efficiency he said.

Monday night's council meeting was opened with prayer by Rev. R. M. Dale, pastor of McCabe Methodist church.

A report of Treasurer Ilma B. Cline was read by City Clerk Phillips, showing a balance of \$19,062.21 in the general fund at the close of last month.

Sales Tax Receipts Gain
Alderman Mathews, chairman of the finance committee, reported that receipts from city sales tax this year are \$4,000 more than last year.

Wheel tax receipts, he said, are running \$600 behind this same period last year. Several councilmen suggested that collection of the tax be stepped up.

Clarence Senn, area manager of the Illinois Power Co., was present and discussed with councilmen the procedure to be taken when the company makes openings in pavements to work on gas mains.

Mr. Senn explained that when gas leaks develop in a locality, it often is impossible to estimate the exact number of openings that will be necessary to locate the source of trouble. The company rushes work of this kind because of the safety angle, he said, and follows it up by obtaining pavement opening permits from the city.

Mayor DuBois said the company should continue to act promptly in emergency, then file the applications with W. O. Randall, superintendent of city utilities. Mr. Senn pledged cooperation of the Illinois Power Co. both in the street opening permit system, and repair of pavements in which openings are made.

Discusses Election
Referring to the city primary election in February and election in April, Alderman Rowe inquired if the election laws provide for voters incapacitated in homes or hospitals to vote in municipal elections. He suggested that if the laws cover incapacitated voters in city elections, some system be worked out for handling applications.

Final reading of an ordinance prohibiting parking on the west side of Hardin avenue from East State street to Morton avenue, was followed by its adoption on motions by Aldermen Fitzsimmons and Belzer.

Illinois Sheriffs To Hold Meeting In Jacksonville

The January meeting of the Illinois Sheriffs' Association will be held in Jacksonville, Sheriff Staley R. Keller of Morgan county said on his return from Taylorville, where several members of the local staff attended a meeting of newly-elected sheriffs Monday night.

One hundred and fifty sheriffs, deputies, F.B.I. agents, and railroad agents attended the gathering, at which law enforcement was discussed by several speakers. State Treasurer Elmer Hoffman is president of the association.

From Jacksonville those attending were Sheriff Keller, Deputies Clifford Smith, Arthur Roach, and Wayne Carter.

A date for the January meeting will be announced within a short time.

Sorority Holds Christmas Party

Officers for Jacksonville Alumnae Chapter of Alpha Iota sorority were hostesses to other members at the annual Christmas party held at the home of Helen Cole.

A delicious turkey dinner was enjoyed by 26 members and one guest. The tables, along with the rest of the home, were beautifully decorated in keeping with the season.

After dinner the group enjoyed singing holiday songs with Mayne Preston as accompanist. Helen Cole then distributed the many gifts from under the Christmas tree.

Each member took a donation of food or money for a Christmas basket which will be given to a needy family.

Present at the party were La Mae Wilson, Edna Walsh, Eldena Walls, Pat Swisher, Martha Richardson, Joyce Nuttars, Mary Jane Morris, Irene Mitchell, Virginia Miller, Barbara Lutz, Martha Lorton, Paula Hudson, Lois Hovey, Elizabeth Hardy, Frances Gutmann, Margaret Foote, Marjorie Enke, Marie Eilering, Doris Deshara, Dorothy Crabbe, Helen Cole, Margaret Carigan, Donna Burrus, Mary Benita, and Linda Norton.

The total amount of Christmas checks to local employees, including the manager and assistant manager, was \$4,101.17.

MORRIS COUPLE REMEMBER IT WAS COLD IN '90 TOO

MORRIS, Ill. (AP) — This Grundy County city also was cold on this date in 1890. Mr. and Mrs. Fred Stine remember. It was their wedding day.

Stine, 92, and his wife, 88, mark their 60th anniversary today. There's no special celebration planned, but friends and relatives are invited to call.

The Stines were wed in Morris. They raised three children. The family now includes 8 grandchildren and 17 great grandchildren. For many years, Stine was Grundy County highway superintendent. He still does some farming and his wife a lot of flower gardening.

If the marriage holds to a family trail for longevity, there should be many more anniversaries planned. Mrs. Stine had an uncle — James Moran — who lived to be 111.

Christmas Lighting Contest Opens For City, S. Jacksonville

Already many Jacksonville homes are gay with Christmas decorations inside and out. Again this year the Jacksonville Junior Chamber of Commerce and the Illinois Power Company are sponsoring a Christmas Lighting Contest for residents in Jacksonville and South Jacksonville.

Entry blanks will appear daily in the Journal and Courier through Sunday, Dec. 21. This is the third annual such contest, and as in the past there will be two sets of cash awards: one for Jacksonville residents and another for people living in South Jacksonville.

The overall total of one hundred dollars breaks down as follows: first, \$20; second, \$10 and third \$5. This group of three awards will be presented in both Jacksonville and South Jacksonville.

A Grand Prize of \$30 will be awarded to the entry, judged from the joint area, considered the most outstanding. Al Stein is Jaycee chairman for the contest and Meric Scott, co-chairman.

Judging will be based this year on artistic merit, originality, lighting technique and the spirit of Christmas. Co-sponsors have asked to solicit judges whose qualifications must have no affiliation with either the Jaycees or Illinois Power Company.

Routt Carolers To Assist
The homes entered in the Christmas Lighting Contest will be judged the evening of Monday, Dec. 22, from dark up to 10 o'clock. The Jaycees have arranged with Miss Dorothy Friedlund, music instructor at Routt High School, for a student caroling group to accompany the judges as they tour Jacksonville and South Jacksonville viewing the lighted homes.

There is no age limit for those entering the Christmas Lighting Contest, children as well as adults being accepted. Early entry into the Contest is stressed so areas may be zoned as quickly as possible before Dec. 22 for inspection by the judges.

All entries must be sent by mail to: Post Office Box 469, Jacksonville, Illinois. There is no entry fee for the Contest.

The sponsors request lights in the homes of all entered in the Contest be turned on from dark until 10 o'clock the evening of the judging, Dec. 22.

As entries accumulate the locations will be published for the convenience of the public wishing to view the displays.
